**MISSOURI APPELLATE COURT OPINION SUMMARY
MISSOURI COURT OF APPEALS, WESTERN DISTRICT**

**OSCAR F. TURNER-BEY, Appellant, v.
SANDRA HAGENHOFF, Respondent**

WD75988

Cole County

Before Division Four Judges: Welsh, C.J., Ahuja, and Martin, JJ.

Oscar Turner-Bey appeals from a judgment entered by the small claims division of the circuit court. The court dismissed Turner-Bey's petition because the statute of limitation had expired on all of his claims.

APPEAL DISMISSED.

Division Four Holds:

Section 482.365.2, RSMo 2000, provides that "[a]ny party aggrieved by any final judgment rendered by a small claims court in a small claims proceeding . . . may have a trial de novo." Rather than petition the circuit court for a trial de novo, Turner-Bey filed an appeal directly with this court. Because section 482.365, RSMo 2000, does not provide for appeals from small claims judgments directly to this court, we dismiss Turner-Bey's appeal.

Opinion by James Edward Welsh, Chief Judge
